

Jaime Oraa

Dr. Jaime Oraa studied Medicine and Surgery at the University of the Basque Country, graduating in 2011. He specialized in Orthopedic Surgery and Traumatology at the University Hospital Basurto in Bilbao from 2012 to 2017, going on to join the medical team at Dr. Mikel Sánchez's Arthroscopic Surgery Unit (UCA) and Advanced Biological Therapy Unit (UTBA).

Throughout his professional career, he has been invited to speak at several scientific gatherings and conferences. He has also co-authored numerous scientific publications, both national and international.
